

# KIWI TRAVEL AND TOURS

NOVEMBER 2009

MERRY CHRISTMAS

## Looking Back.....

This year has been a busy one for us. Apart from running two very successful Kiwi Escorted international tours, we've also introduced local one-night New Zealand trips, including the Bay of Islands, the gorgeous Coromandel and Waiheke Island.

Next year we are planning to run five Kiwi Escorted international tours and continue to offer the one-night tours as well.

Thank you to all our new and returning clients, we hope to continue travelling with you for many years to come.

*"Thanks Mike, you are a great organizer and always look after your passengers"*

*"Wonderful trip, would go again tomorrow if I could!"  
Dorothy P*

*"The tour was excellent, I enjoyed all the places we visited.  
Our tour guides were excellent, very caring and helpful. Keep up the good work Mike"  
Marie C*

## Who are we?

Many years of dealing with inbound tours of New Zealand, led husband and wife team Mike and Nicola Painter, to form Kiwi Travel and Tours Ltd. Our aim? To be very customer focused; and to actively promote New Zealand as the idyllic travel destination that it is. Not for us the downright nasty, whirlwind tours so often sold to our global neighbours. We aimed to ensure that our clients went home with glowing recommendations about the country and our company.

We expanded to include other South Pacific destinations for our inbound groups, families and individuals.

In 2007, we introduced Kiwi Escorted Tours out of New Zealand. This included two types of tours, both aimed at meeting the needs and interests of 55+.

**Kiwi Escorted Tours** are for physically able travellers; whereas **Kiwi Care Escorted Tours** includes a registered nurse in each departing tour, and is aimed at providing safe and enjoyable travel opportunities for people with some physical restrictions.

## MORNING TEA TALKS
