**Standard check-in time is 3.00pm.** You may not be able to access your room until this time. Luggage will be securely stored until then.

**Please Note:** When checking into your accommodation it is standard practice for the accommodation house to take an imprint of the guest's credit card. This is to cover payment of any extras e.g. room service, food and beverage expenses, telephone etc.

The hotel will not utilize the credit card imprint without the guest's knowledge or signature unless these additional charges are not settled on check out. If a credit card is not available, it is then standard practice to ask for an AUS\$100 refundable cash deposit against these expenses which can then be used to settle the account upon check out.
